## 420 Challenge

At each shuttle stop, players will be faced with a challenge. Win the challenge, get a point. Lose the challenge, you may play again but must go to back of line.

## Scoring

Once a player finishes his or her challenge, a World Cannabis Week staff member will then stamp a player Scorecard. Store purchases are stamped on the return shuttle ride back to 420 Bazaar.

## Prizes

Top scores between 20-25 will be eligible to play for grand prizes on Sunday, April 23rd at 4:20pm at the 420 Bazaar Main Stage. Top 20 prize winners will be contacted and can pick up their prizes at the My 420 Tours office. **Top prize winners must be present to win.**

## Stamps

Earn stamps by traveling on each shuttle route, completing the challenge and/or purchasing the sponsored products and store minimum purchase. Posting to social media with the correct hashtags for each stop will earn a bonus stamp.

## Completion

Once you've completed your challenge, return to 420 Challenge Check-in with your Scorecard to be entered into grand prizes. Top 25 people will win!
